

# Phys 402 Spring 2009

## Philosophy / Ground Rules

This course emphasizes Homework as the key route to learning quantum mechanics

For each assignment, two Homework problems will be graded quantitatively (0-10)  
and the rest will be graded qualitatively (0-2)

No late Homework will be accepted!!

As compensation, the lowest Homework grade will be dropped

Office Hours: Thursday 3:00 PM – 4:30 PM (HW due Friday 9 AM)  
and other times by appointment

Wednesday 10 AM (4<sup>th</sup> hour) will generally be used for problem solving

Please No Food or Drink in Phys 1201
